This is the end of the Listening test. Turn to Part 5 in your test book.

Questions 71 through 73 refer to the following telephone message.

Hi, this is Sara Laster from Apartment 4-E. ① This message is for the apartment manager. ② I'm calling because I have water leaking from the ceiling in my kitchen. I'm hoping you can get someone to fix it as soon as possible. ③ I'm working from home today, and I have an important conference call at three o'clock. So, if you could send someone to repair the problem right away, that'd be great. Please call me at 555-0155 once you've scheduled the repair. Thank you.

Questions 74 through 76 refer to the following talk.

① I'd like to update the management team on the new fruit drink that our product developers have been working on. ② There are two different recipes we're considering: one using sugar, and the other using honey as a sweetener. But ③ we're not sure which recipe to use in production—the one using honey would cost more, but it has a very special flavor. ④ The marketing department will conduct some research with a focus group to find out which drink recipe customers prefer. ⑤ This research will be conducted next week, and then we'll have the information we need to make a decision.

Questions 77 through 79 refer to the following broadcast.

And now, ① the weather from Radio KMC. ② Many of our listeners, I'm sure, have made plans to spend the day outside at the Ray Mountain Park and attend the track-and-field event there this weekend. I don't know about that, folks. ③ Our normally bright skies are giving way to heavy storms this coming Thursday, and the rain may not let up in time for the event. Now, ④ in case of rain, you won't be left with nothing to do. The summer art fair is taking place at the park's convention center. ⑤ The organizing committee recommends checking the Ray Mountain Park's Web site Friday morning to get the latest information.

Questions 80 through 82 refer to the following excerpt from a meeting.

My name is Cindy Dawson and ① I'm a trainer at McLeland's Gym. Your management team asked me to talk to you about the wellness program we're offering to all full-time employees. For only fifteen dollars a month you'll have full access to our facility. ② You must join the fitness center by May thirtieth in order to take advantage of these introductory rates. I'm passing around a sign-up sheet. ③ If you're interested, please write your name and e-mail address so I can send you information.

Questions 83 through 85 refer to the following talk.

Hello, ① my name is Liang Chen. ② Thank you for inviting me to audition for the solo cello position in the Springville Orchestra. I have selected to play for you a few short pieces that I hope will give you a good idea of the range of my musical ability. ③ I'm also handing out a list of my references to each member of the interview panel. ④ Now, I will begin with a short selection of classical cello music.

Questions 86 through 88 refer to the following excerpt from a meeting.

M

① Welcome, managers. Thank you all for coming to our corporate headquarters for today's training on the new line of products your stores will be carrying. ② We'll soon be replacing our current stock of appliances with more eco-friendly versions. ③ Today we'll discuss how to get your store and sales staff ready for this change. ④ There's a lot of preparation to do, like planning store promotions, merchandising, and gaining product knowledge. We have three weeks. All right, let's get started.

Questions 89 through 91 refer to the following advertisement.

w

Want to dispose of that old laptop computer or tablet but don't know how to do it safely? Well, just ① stop by Jay's Electronic Solutions and one of our sales staff members will accept your outdated or broken items. And best of all, ② there's absolutely no cost to you! ③ We'll take your old electronic devices and safely ship them to one of our recycling centers, where they'll be dismantled and properly recycled. And as a thank you for helping the environment, ④ we'll give you a coupon for fifteen percent off your next purchase at Jay's Electronic Solutions.

Questions 92 through 94 refer to the following announcement.

M

① Thank you for coming to our annual appreciation dinner for XRZ Game Studio employees! Every year, we recognize one employee for hard work and contributions to the development of video gaming. This year, we'd like to recognize Tadayoshi Soto, our lead application designer. ② When Tadayoshi first joined our company, he surprised us by designing a best-selling game. It took him two days to create it. And Tadayoshi has become well-known in the field for his designing abilities. ③ Last month, he gave the opening speech at the Oslo Gaming Conference. Congratulations, Tadayoshi!

Questions 95 through 97 refer to the following excerpt from a radio interview and schedule.

w

① Thanks for inviting me to your radio station to talk about my clothing designs. You know, I'm always asked about my inspiration. Well, ② my friends inspire me the most. ③ When starting to design clothes, I talk to them as much as possible. I want to know how they want to feel, because clothing designs aren't just about art, they're also about psychology. That's why ④ I wrote *New Clothes, New Me*. It describes how our clothes affect your self-image and your attitude. Actually, ⑤ I'll be at Horton's Bookstore this Saturday signing books. I hope to see many of you there!

Questions 98 through 100 refer to the following excerpt from a meeting and graph.

M

① I'd like to talk about encouraging our clients to start advertising on smartphone applications. It'd be a good investment for them because their advertisement would pop up whenever the app is opened. But which types of apps should our clients advertise on? Well, ② this graph shows that messaging apps are used for the most minutes each day... however, they're expensive to advertise on. ③ Considering this, the next most popular type of app is the best choice. It's cheaper to advertise on these apps, and ④ at 30 minutes each day, they're used almost as much as messaging apps. So, ⑤ this week, talk with our clients about this and see what they think. Ultimately, it's their decision.
